Email your completed Abstract to Cara Shopa (caraduncan@arizona.edu).

As you prepare your abstract, include the following information:

1. **Presentation Title.** Please choose a brief title (maximum 200 characters) that clearly indicates the content of the contribution. Titles should not be in all-caps, and avoid abbreviations in the title. Abbreviations may be used in the text if they are defined when first used.
2. **Lead Author.** Name, institution, affiliation (department, etc.). In instances of multiple authorship, the person whose name appears first is expected to deliver the presentation.
3. **Co-authors.** Names, institution, affiliation (department, company, etc.)
4. **Abstract.** Please ensure that your abstract contains no more than 350 words. Letters, numbers, and common math symbols are acceptable. Avoid diagrams, illustrations, tables, references or graphics in the abstract.

Provide maximum relevant information in the abstract. Consider using the following structure to highlight your presentation topics: objective, methods, results, conclusions.

5. **Key Words:** Indicate up to 4 key words for your abstract.
